

CIVIL AVIATION DIRECTIVE (CAD)

DIRECTIVE NO	SLCAA/CAD/2021/001
SUBJECT	A Directive requiring the Sierra Leone Civil Aviation Authority (SLCAA) to only accept type certificates with approved airworthiness codes as stated in SLCAR Part 8A, for operators who wish to register their aircraft in Sierra Leone.
BASIS/COMMENCEMENT	Pursuant to the powers vested on the Director General by Sections 17 and 49 of The Civil Aviation Act 2019, the SLCAA hereby issues directive as contained in this document as contained in this document
APPLICABILITY	SLCAA/SERVICE PROVIDERS/PUBLIC
REASON(S)	Recognizing that Sierra Leone does not presently issue its own original type certificate as it is not a State of Design or State of Manufacture. The Authority shall open lines of communication with the State of Design and/or the State of Manufacture so that it can receive all safety bulletins and airworthiness directives for each type of aircraft registered and/or operating in Sierra Leone.
ACTIONS REQUIRED AND COMPLIANCE TIMELINES	The SLCAA to only accept Type Certificate until further notice
ISSUE /REV NO /DATE.	Original Issue.
EFFECTIVE DATE	12 th May 2021
REFERENCES	The Civil Aviation Act, 2019
REMARKS	THIS DIRECTIVE REMAINS VALID UNTIL SUSPENDED/SUPERCEDED/ REVOKED/CANCELLED.
ISSUED BY,	
NAME	Moses Tiffa Baio
